

# Email Deliverability

Result of RESPECT

Radek Kaczyński

*Bouncer*

# Dialog

Great things happen  
when we  
communicate

# Email

is a powerful  
communication channel

# 20%

Emails do not reach  
the recipients

# 15%

Email addresses are  
not valid at the  
moment of entry

# 20%

Emails addresses  
get obsolete in just  
one year

Undeliverable email  
=  
lost opportunities  
+  
issues

ehlo@usebouncer.com

# Real-time email verification

Get  
connected,  
stay  
connected

So that the idea reaches its addressee

SENDER

MESSAGE

RECEIVER

# Deliverability

# Many factors

## Message

- Personalized for the recipient
- Content and the form

## Practices

- Contacts management
- Monitoring and reacting
- Control of volumes

## Infrastructure

- Reputation
- Authentication

It's so complex...

Any  
pattern?

towards humans

towards resources

material

**RESPECT**

behavior

towards humans

towards resources

material

CONTENT AND  
FORM

INFRASTRUCTURE

**RESPECT**

behavior

RECIPIENTS'  
MANAGEMENT

RESONANCE

**RESPECT**

REPUTATION

RECIPIENTS'  
MANAGEMENT

EMAIL  
PRACTICES

## REPUTATION

- Takes time to build it
- We need to constantly prove it
- It's easy to lose it

## INFRASTRUCTURE

- Care for our resources
- Respect to others

INFRASTRUCTURE

## Proper set-up

- Wisely chosen
- Authenticated
- Open for the feedback

## EMAIL PRACTICES

- Do not exploit our resources
- Do not abuse others

## EMAIL PRACTICES

### Control of send-outs

- Consistent and predictable volumes
- Respect the limits

## EMAIL PRACTICES

### Monitoring and improving

- Respect feedback
- Honor improvement suggestions
- Prevent and react to bounces

## BOUNCES WHAT DO THEY TELL US?

Natural thing

- Confidence in the reliability of email
- ESP acknowledge it
- 3-5% is safe

## BOUNCES

WHAT DO THEY TELL US?

Natural thing

- Email address does not exist
- Mailbox full
- Message too large
- DNS Failure

## BOUNCES

WHAT DO THEY TELL US?

Increased rates may happen when we:

- haven't been sending messages for a while
- stopped practices of managing bounces
- brought some new contacts
- reputation has been decreased

## BOUNCES

WHAT DO THEY TELL US?

### Abnormal bounces

- Mail block - spam detected
- Mail block - known spammer

We should stop and start recovering from the disaster

MANAGEMENT

EMAIL  
PRACTICES

## RESONANCE

- Message aligned with recipients needs
- Deliver on promise
- No hidden intentions

## CONTENT AND FORM

- Human 2 Human
- Maximize the value
- Respect the time and energy of recipient

## CONTENT AND FORM

- Highest quality
- For Humans
- For machines

## CONTENT AND FORM

- Clean and clear
- Good balance  
(content : media)
- Links that work
- Unsubscribe option

## RECIPIENTS' MANAGEMENT

- Wise segmentation
- Holistic approach on all phases of the relationship's lifetime
- Continues hygiene

RESPECT

- Let's respect each other
- Let's respect our time, energy and attention
- Let's respect our resources

High deliverability will be a result of that.
